

UNIQUE SELLING PROPOSITION

Date of Issue: 28TH June 2013

GJ Cochrane and Son Earthmoving Pty Ltd provide quality service at a competitive price.

Our highly qualified operators are all enthusiastic, experienced, knowledgeable and are able to work without supervision.

They have extensive experience and have worked on many job sites allowing exposure to a variety of projects and tasks.

Our machinery is top quality and maintained meticulously by our fully equipped modern workshop.

Our operators are OHS trained and compliant.

We are able to provide our own Safe Work Method Statements, incorporating Risk Assessments.

Our machines all have Risk Management Reports and Plant Risk Assessments showing they are 100% OHS compliant.

The combination of these items ensures risk minimization at all times.
